

SEEKING RESEARCH VOLUNTEERS FOR THE **LATE EFFECTS OF TRAUMATIC BRAIN INJURY (LE-TBI) STUDY**

Have you or a loved one sustained a traumatic brain injury?

CONSIDER MAKING YOUR WISHES KNOWN ABOUT BRAIN TISSUE DONATION AT THE END OF LIFE

Eligibility requires:

- 18 years of age or older
- Mild-complicated to severe TBI
- 1 year post TBI injury

Participation involves:

- An interview and a cognitive assessment
- An MRI scan and blood draw
- Making your wishes known about brain tissue donation

Study compensation is \$50 and a \$15 lunch voucher.

Participants will be invited back every 2 to 3 years during study funding to complete repeat assessments (including MRI, assessments, and blood draw).
